

JOB TRAINING OPPORTUNITIES!

High school students: Looking for an opportunity to get community service hours and/or job skills?

The Café @ St. Stephen's has you covered.

We have opportunities for high school students age 16+ to volunteer in our café during afternoons and weekends.

Earn community service hours and gain valuable job experience.

Youth volunteers will have the chance to learn to:

- Help create a warm and welcoming environment for all
- Join our growing ministries of feeding and hospitality
- Interact with people of all ages, and help build community
- Get to know more about local, healthy food options
- Make espresso drinks like a professional
- Experience how a small business is run day-to-day
- Develop job and leadership skills that will be helpful throughout life

If you are a teenager (16+) and interested in volunteering in afternoon/ evenings or weekends, please email mkarn@ststephensRVA.org for more information.
